*G. G.*

**WHEREAS**, DWCD is the nodal department of Government of Maharashtra which governs the implementation of schemes for welfare of women and children with specific focus on their growth, development and protection.

**WHEREAS**, ICDS is responsible for implementation of Integrated Child Development Scheme in the State of Maharashtra to address the growth needs of children under the age of six years, Pregnant & Lactating Mothers and Adolescent Girls.

**WHEREAS**, The Institute of Chemical Technology (ICT) Mumbai is a 83 year old institution of Technical Education with excellent work in the field of Chemical Technology. ICT has produced a number of renowned Researchers, Academicians, Industrialists, Bureaucrats, over 500 First Generation Entrepreneurs and many Padma Awardees. ICT has been granted Deemed University Status by the Ministry of Human Resource Development (MHRD), Govt. of India on 12<sup>th</sup> September 2008, with all provisions of the UGC for funding and support as the State funded Deemed University. It was granted Elite Status and Centre of Excellence by the State Assembly on 20<sup>th</sup> April, 2012.

**WHEREAS** This MoU is being entered into for collaboration on Laboratory Based Testing of Food Samples being distributed in the Anganwadis in Maharashtra.

**WHEREAS** parties in principle agree to cooperate, to have further dialogues and to further negotiate and finalize the mutual beneficial relations.

#### 1. Scope of Work

In consideration of the premises the parties hereby agree as follows:

##### Scope of Work/ Activities to be carried out by ICT

- Ensuring availability of necessary infrastructure for carrying out testing of food samples as per the Scope of this MoU, including up-gradation of the existing infrastructure to suit the activities under scope of this MoU
- Obtaining all necessary approvals/ affiliations/ certifications from agencies concerned with analysis of food samples.
- Carrying out analysis of food products as required by DWCD in the format prescribed by DWCD from time to time and and issuing Food Sample Testing Report in a reasonable time period of time as agreed mutually
- Inform DWCD immediately about any major changes/ issues/ breakdown of Equipments affecting analysis of Food Samples provided by DWCD
- Provide details of ICT Team Members working on the Scope of this MoU to DWCD

*Subhakar*      *M. M. M. M.*      *S. S.*

- Provide full cooperation and facilities for carrying out the activities under the scope of this MoU
- ICT will not subcontract any part of analysis of Food Samples to any entity without prior permission from DWCD
- ICT shall extend the required testing facility after acquiring the same through the funding from GOI, State Government or Other external agencies with the support of DWCD.
- The actual testing shall begin after only after acquiring the necessary infrastructure for carrying out the testing of food samples.

**Scope of Work/ Activities to be carried out by DWCD & ICDS**

- Provide all required reporting formats to ICT including the Test Report Formats and changes thereto from time to time.
- Provide full support to ICT in its endeavor of seeking funds from various agencies/ organizations/ State Government/ Central Government in order to facilitate the necessary Infrastructure for the execution of this MoU.
- Provide the necessary approvals and go-aheads under its purview for implementation of this initiative
- Provide the agreed honorarium to ICT along with applicable taxes for execution of this programme. Payment of this honorarium shall be done on a monthly basis based at Rs.1000 Per Tested Sample for simple analysis and Rs. 2000 per sample for detailed analysis.
- The frontline staff of DWCD & ICDS shall provide full support in implementation of this project
- Provide support to ICT in seeking Govt. Assistance for procuring any additional infrastructure (if needed) for the purpose of execution of this MoU

The Participants will explore the feasibility of establishing a Joint Working Group having equal representatives from both Participants. Each Participant is to identify a point of contact responsible for coordination.

**2. General Provisions:**

- The parties understand that neither this MoU gives any right to any party, nor does it creates a partnership, joint collaboration or employment.
- Except as expressly provided by this MoU, no Party will be liable for or bound by any representations, acts or omissions whatsoever of the other party.
- Prior to execution of this MoU, each party will bear all of its own expenses necessary to meet its duties and obligations under this MoU. Neither party can create or cause to create any charge against the other party as per this MoU.
- The representatives of both the parties shall specially monitor the progress of the initiatives undertaken under this MoU
