

# Good Practice: Quality Improvement of Pre School Education in Anganwadis

# Quality Improvement of Pre School Education in Anganwadis

- ✓ The WCD Department has signed an MoU with Dewan Housing Finance Corporation Limited and Samhita Social Ventures Private Limited for improving the quality of delivery of pre-school education for children between the age group of 3 – 6 years in Anganwadis in Palghar and Vasai Taluka
- ✓ Capacity Building of Anganwadi Workers, CDPOs and Supervises is being carried out to develop the right perspectives towards early childhood education methodologies, developmental milestones, stimulation therapy for brain development of children, effective communication skills to counsel mothers

# Quality Improvement of Pre School Education in Anganwadis

- ✓ Each Anganwadi centre under the scope of this MoU, with teaching and learning aids/ kits to facilitate Anganwadi Workers in implementing their learning. These kits and aids are in compliance with AKAR Syllabus
- ✓ The Corporate Partners of this MoU will map out the infrastructural requirements of Anganwadi centres in the said location. Further, based on this assessment, on-ground requirement & consultations with local administration, infrastructure up gradation of Anganwadis will be facilitated to ensure child friendly environment,
- ✓ The corporate partners also aim at designing a comprehensive program to strengthen and supplement the efforts of WCD Dept. by focusing on aspects related to access to clean and safe drinking water, sanitation facilities in the Anganwadis
